OUR SERVICES

Our services are widely covered all the major healthcare areas. Even though we are mainly focusing on :

EDUCATIONAL INSTITUTIONS

Our school nurses work to promote a healthy school environment.

Beyond promoting health and safety for students within the school facility during the school day, they also encourage students to maintain healthy habits and behaviors when they are not in school.

PHYSIOTHERAPY

Physiotherapy has over the years proved its effectiveness in helping patients in restoring their health and enhancing their physical strength, function and mobility. To further enhance your experience with physiotherapy, our Physiotherapists personally visit you and perform physiotherapy at home.

HOME CARE

Home health service is all about helping people live healthier and more fulfilling lives despite an illness or injury. Our aim is to provide the best personalized care for our patients.

INDUSTRIAL NURSE

Nurse is responsible for providing basic first aid, evaluating an employee's health and providing initial diagnosis on medical conditions, maintaining employee health records.
